Mr. Gavras wanted to inform the Court that his client, Mr. James Cruz, refused to execute the release agreement, however, he did have the opportunity to discuss the terms and conditions with his client. He further stated that Mr. Cruz gave him verbal authorization on numerous occasions to sign the stipulation for dismissal in this matter consistent with the release. Ms. Limtiaco concurred. Based on the representations made by the parties, the Court found that Mr. Gavras was within his authority based on the verbal permission given to him by his client and that the settlement agreement between the parties govern the obligations that exist between the parties in terms of the dismissal.
